ANC3C RESOLUTION NO. 2008-006
Resolution Regarding HPA#08-129 at 3500 Newark Street

WHEREAS the owners of 3500 Newark St., a contributing property within the Cleveland Park Historic District, have applied to the Historic Preservation Review Board (HPRB) for concept approval of a porch demolition in order to replace it with a larger and enclosed space, replacement of a 2nd story front façade window with a smaller window, and other less significant changes; and

WHEREAS last year HPRB considered and denied an application to enlarge and enclose the existing porch, which ANC 3C had supported:

THEREFORE BE IT RESOLVED that ANC 3C has no objection

- to replacing the sliding glass doors, which are clearly modern additions, on the east wing of house with mullioned, French doors; and
- to replacing the west side kitchen window, which is not visible to the street, with French doors; and
- to replacing the roof railings on the wings of the house;

BE IT FURTHER RESOLVED that ANC 3C does not support removing the middle of 5 identical windows on the front façade of the house as this is inconsistent with preserving the facades of contributing structures in the historic district; and

BE IT FURTHER RESOLVED that ANC 3C supports adapting the use of open porches to capture more living space and finds the proposed porch enclosure -- while cutting off the corners of the porch footprint -- historically compatible, especially since it will not be seen from the street; and

BE IT FURTHER RESOLVED that the Chair, or her designee, is authorized to represent the Commission on this matter.
