**ANC 3C Resolution No. 2009-08**  
**Resolution Urging the Zoning Commission to Seek More Information**  
**Before Considering the Zoning Rewrite Recommendations on Low and**  
**Moderate Density Residential from the Office of Planning**

WHEREAS the D.C. Office of Planning has submitted recommendations on low and moderate density residential to the D.C. Zoning Commission pursuant to the Zoning Review Rewrite process; and

WHEREAS the Zoning Commission has scheduled a hearing on these recommendations for April 9, 2009:

BE IT RESOLVED that Advisory Neighborhood Commission 3C (ANC 3C) has reviewed the low and moderate density residential recommendations prepared by the Office of Planning and we find that there are significant area and use changes proposed and there are insufficient details on how these recommendations could impact residential areas;

THEREFORE, BE IT FURTHER RESOLVED that ANC 3C urges the Zoning Commission to request additional detail on each recommendation and information about the potential impact of the recommendations on each residential zone;

BE IT RESOLVED that ANC 3C requests that the hearing record remain open so that ANC 3C has time at a noticed, public monthly meeting to review and comment on the additional information supplied by the Office of Planning;

BE IT RESOLVED that Commissioner MacWood is authorized to represent ANC 3C on this matter.
